3) As regards the provision for repairs of Mug: institutions, the M C requests that an expenditure of Rs 12928 may be authorized during the current year, the excess over Rs 10,000 being met from the accumulated surplus at the credit of the Fund, to which the unspent amount of 2942-5-8 lapsed.

and (2) 1000 Rs for Grants to new Vedic & Agama Pāṭaśālas -

38) The necessity for the first item is evident as there is no other source from which such unforeseen expenditure can be incurred. As for item No. 2, though a provision may exist, it is only well conducted institutions that can be encouraged by a grant in aid, just as in the case in the Ed. Deptt which encourages in this manner satisfactorily conducted Sanskrit Schools for which a similar provision exists in the Ed. Budget. A number of smaller Vedic & Agama Pāṭaśālas are existing scattered over the state and quite necessary reserve as feeders to the Central Vedic Pāṭaśālas at Bangalore & the Central Agama classes now held at the Maharaja's Sanskrit College at Mysore & maintained by the Mar. Deptt.

39) The provision proposed was Rs 1000 by the Mar Com. as against Rs 500 originally proposed by him may perhaps be retained; and the budget Est: of the Gen. Mar. Dept. Sanctd, Rs 10,000 provided for Repairs to Mar. Dept. being retained - seems req. under the head

Sir,

With reference to correspondence ending with your letter -- No.674/M.F.37-26 dated 8th October 1926 in the matter of the Budget Estimates of the General Muzrai Fund for 1926-27, I have the honor to submit herewith a revised budget on the lines indicated by you and to state as follows:-

1. The number and date of the Government Order on which every item of expenditure rests has been quoted as far as possible.

2. The provision of Rs.500/- for grants-in-aid to new Veda and Agama Patasalas has been made under the authority of the Budgets of previous years wherein it has been accepted. Moreover, such -- a provision seems to be absolutely necessary in view of the numerous applications that are being received. Two recommendations in --- respect of the marginally noted Patasalas are already before ----- Government. A further recommendatio in favour of the Patasala at ------- Nagamangala has been received from the Deputy Commissioner of the --- Mysore District and the matter is under consideration. At the ---- request of the Promoters of the Veda Patasala at Devarayasamudra a report has been called for from the Deputy Commissioner. These and many other Institutions of the kind, will have to be subsidised ---- during the year and a provision sufficient to cover the expenditure under this item is necessary. Before any portion of the grant is utilised previous sanction of Government will be obtained in ------

Patasala at Kammaradi village in the Thirthahalli Taluk.
Patasala at Magadi.

individual

individual cases. The whole or any portion of the unutilised --- grant will lapse to the credit of the fund alone at the close of the year. The Agama classes opened in Mysore are not flourishing as they should have been for want of students in all the three -- Agamas and unless a number of Patasalas following the same curricula are opened in moffusil places and students trained therein are sent to Mysore for higher study, matters are not likely to improve. In these circumstances, I beg that a provision of Rs.1,000/- a year may be allowed permanently.

3. A triennial programme of works has not been drawn up as it is very difficult to follow it up strictly and as subsequent ---- reports received from the Deputy Commissioners may require changes in it. A list of works selected for this year is herein enclosed for kind perusal. The proposal to append a list of works to the Budget Estimates may be given effect to and every year a list of works to be taken up will be included in the budget.

Against a provision of Rs.10000 proposed in the Budget for "Repairs of Institutions" an expenditure of Rs.12,928/- including a reserve of Rs.500/- has been shown in the statement for 1926-27. Out of Rs.10000/- made available last year for the same purpose -- estimates aggrega ing Rs.7057-10-4 were only sanctioned by Government. Recommendations made on behalf of items 1,2 & 3 in the -- statement are pending orders of Government. The balance of ---- Rs.2942-5-8 left unspent out of the last year's grant has been --- carried over and three institutions mentioned above brought also under the current year's programme. It is requested that a total expenditure of Rs.12928-0-0 may be authorised during the current - year, the excess over Rs.10000/- being met from the accumulated -- surplus at the credit of the Fund to which the amount has alone -- lapsed.

4. The interest accruing annually on the 6% Loan Bonds and also 4% Government of India Pro-notes of the face value of Rs.15,000 recently purchased has been brought on the receipt side.

5. Mr. B. Venkataramanaiah was Peshkar of the Sri Narayanaswami temple at Melkote and Sri Sreekanteswaraswami temple at Nanjangud.

With the above observations, I beg to submit the Budget Estimates for sanction of Government.

I have the honor to be,

Sir,

ANNEXURE.

Letter No. C. 20 of 1926-27 dated the 3rd —5th November 1926, from the Muzrai Commissioner in Mysore, to the Secretary to Government, Financial Department.

With reference to correspondence ending with your letter No. 674 M. F. 37-26, dated 8th October 1926, in the matter of the Budget estimates of the General Muzrai Fund for 1926-27, I have the honor to submit herewith a revised budget on the lines indicated by you and to state as follows:—

1. The number and date of the Government Order on which every item of expenditure rests has been quoted, as far as possible.

2. The provision of Rs. 500 for grants-in-aid to new Veda and Agama Patasalas has been made under the authority of the budgets of previous years, wherein it has been accepted. Moreover, such a provision seems to be absolutely necessary in view of the numerous applications that are being received. Two recommendations in respect of the marginally noted Patasalas are already before Government. A further recommendation in favour of the Patasala at Nagamangala has been received from the Deputy Commissioner of the Mysore District and the matter is under consideration. At the request of the Promoters of the Veda Patasala at Devarayasamudra, a report has been called for from the Deputy Commissioner. These and many other institutions of the kind, will have to be subsidised during the year and a provision sufficient to cover the expenditure under this item is necessary. Before any portion of the grant is utilised, previous sanction of Government will be obtained in individual cases. The whole or any portion of the unutilised grant will lapse to the credit of the fund alone at the close of the year. The Agama classes opened in Mysore are not flourishing as they should have been for want of students in all the three Agamas and unless a number of Patasalas following the same curricula are opened in moffusil places and students trained therein are sent to Mysore for higher study, matters are not likely to improve. In these circumstances, I beg that a provision of Rs 1,000 a year may be allowed permanently.

Patasala at Kaimaradi village in the Tirthahalli Taluk
Patasala at Magadi

3 A triennial programme of works has not been drawn up as it is very difficult to follow it up strictly and as subsequent reports received from the Deputy Commissioners may require changes in it. A list of works selected for this year is herein enclosed for kind perusal. The proposal to append a list of works to the Budget Estimates may be given effect to and every year a list of works to be taken up will be included in the Budget.

Against a provision of Rs. 10,000 proposed in the Budget for " Repairs of Institutions" an expenditure of Rs. 12,928 including a reserve of Rs. 500 has been shown in the statement for 1926-27. Out of Rs. 10,000 made available last year for the same purpose estimates aggregating Rs. 7,057-10-4 were only sanctioned by Government. Recommendations made on behalf of items 1, 2 and 3 in the statement are pending orders of Government. The balance of Rs. 2,942-5-8 left unspent out of the last year's grant has been carried over and three institutions mentioned above brought also under the current year's programme. It is requested that a total expenditure of Rs. 12,928 may be authorised during the current year, the excess over Rs. 10,000 being met from the accumulated surplus at the credit of the Fund to which the amount has alone lapsed.

4. The interest accruing annually on the 6½% Loan Bonds and also 4% Government of India Pro-notes of the face value of Rs. 15,000 recently purchased has been brought on the receipt side.

5. Mr. B. Venkataramanaiah was Peshkar of the Sri Narayanaswami temple at Melkote and Sri Srikanteswaraswami temple at Nanjangud.

6. With the above observations, I beg to submit the Budget Estimates for sanction of Government.
